						0.00

If applicable, provide brief justification (e.g. how does this relate to project research): to be used to produce research communicate with research group, write-up research results, and to present research work at meetings, conferences, and collaborations

	Sub-total 91.89

A conflict of interest exists in any situation in which a person having official responsibilities for SDSU Research Foundation is empowered to make decisions on behalf of their project/department and who, as a result of that authority, can potentially benefit personally, directly or indirectly, from an entity or person conducting business with SDSU Research Foundation. Any conflict must be disclosed in full and reviewed by the dean of the college. SDSU Research Foundation reserves the right to deny the selection of the individual as a Contractor if the conflict cannot be mitigated.

I certify that I will not receive any benefit either directly or indirectly, from the Contractor named above.

		Tax 7.12
